

Hecate - Feature #161

Add support for blocking event calls

February 08, 2016 10:41 AM - ChalamiusS

Status:	Resolved	Start date:	February 08, 2016
Priority:	Normal	Due date:	
Assignee:	ChalamiusS	% Done:	0%
Category:	Core	Estimated time:	0.00 hour
Target version:	0.1 (Enodia)		
Description			
It would be nice to be able to block when requesting a response from another module, since this reduces the need to have instance variables that keep track of the state of a command (e.g., registering aliases for a nickname on IRC).			

History
