| **Category:** | | | **Estimated time:** | 0.00 hour |
| **Target version:** | 0.1 (Enodia) | | | |

**Description**

Client certificate auth (CertFP) seems to be breaking on OpenSSL 1.0.0c (other v1.0.0 untested)

Time to investigate

## History

**#1 - January 28, 2011 10:00 PM - ChalamiuS**

*- Status changed from New to Assigned*

**#2 - March 16, 2011 11:54 PM - ChalamiuS**

*- Target version set to 0.1 (Enodia)*

We should probably find out what's causing this before we reach 0.1

**#3 - May 05, 2011 10:43 AM - ChalamiuS**

*- Status changed from Assigned to Closed*

Unable to reproduce this on 1.0.0d, closing unless it appears somewhere again
