

Hecate - Feature #43

Feature # 28 (Resolved): Eventhandler (or hooks with callbacks)

Port modules to the hooks driven model

March 16, 2011 11:47 PM - Chalamius

Status:	Resolved	Start date:	March 16, 2011
Priority:	Normal	Due date:	
Assignee:	AltaDeSaxa	% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:	0.1 (Enodia)		

Description

As we're (most likely) moving away from the received function and using hooks instead (in some sort of event driven model) the modules should be ported to it.
